 Brasilia/Brazil

## WHO AM I?

A creative **Frontend Web Developer (HTML, CSS, and Javascript)** that has been designing digital experiences to improve customers' lives balancing goals. UX & creativity. He believes in collaborative working between designers and other parts of the company. Expect from him to always learn more about **Web Development** and **UX/UI** while creating and always pushing boundaries to deliver better products.

## EXPERIENCE

### Frontend webdevelopment

Works at ExodUX Design - Brazil - (2017 - Present)

- Created wireframes and prototypes for web-based / mobile-based applications
- Designed applications, landing pages, email campaigns, and web ads
- Worked with front-end engineers to provide assets and web comps for development and UX Strategy for multiple projects. Conducted user research, IA, and UI design while collaborating with cross-function stakeholders to establish design direction that meet market requirements while balancing user needs with technical capability.
